Good Evening Dave,

I am officially a part of the Hollywood team now! that being the case, Captain Palka has put me in charge of coordinating Hollywoods first Cadet Scholarship Program. I would like to drive out Agoura and meet with you to discuss your expectations, and get the ball rolling on this fantastic idea/opportunity. Which days and times work best for you? I typically work Mon-Fri. I look forward to reconnecting with you again very soon.

Warm Regards,

Mathew Rejis
